

Creeking Programs

For families

**Every Thursday in June & July
10 am—11:30 am**

Join us in the creek to explore the animals that make it home. Each week we will visit a new location, which includes Rentschler Forest, Governor Bebb, Elk Creek, and Indian Creek Metroparks.

These programs will be dependent upon the most up-to-date Covid-19 rules and regulations.

Registration will not open until May.

Full details including registration will be available at:
